Handles

Ensured Protection - Safety guards slide behind the strap to prevent the sharp blades from contacting the bundled items

Comfortable and Easy to Use - Ergonomic, cushion grip handles designed to fit your hand, maximize natural hand contraction motion, and are assisted with an auto return spring

Versatile - Works excellent with all cable tie strap widths

Applications - Retrofitting and repairing wire harnesses and hose assemblies, removing packaged items, prototyping and testing products, and many other industrial and household uses

Designed For Maintenance and Repair Technicians, Assemblers, Shipping and Receiving Personnel, Installers, Electricians, Retail Stocking Personnel, Home Owners, etc.

Heat Treated Alloy Steel provides long life when cutting plastic, copper, or aluminum

Scissor Action Cutter produces clean cuts
