

Delock Fiber optic heat shrink splice protection 40 mm 10 pieces

Description

This shrink tube by Delock protects the splice connection between two fibers from mechanical damage and environmental influences. Under the effect of heat, the splice protection completely encloses the fibre and offers a good resistance to high temperatures.

10 x

Specification

- Fiber optic heat shrink splice protection
- Length: ca. 40 mm
- Thickness: ca. 3 mm
- Diameter of the steel needle: ca. 1.2 mm
- Shrinking temperature: 120 °C
- Colour: transparent

Package content

- 10 x fiber optic heat shrink splice protection

Item no. 86838

EAN: 4043619868384

Country of origin: China

Package: • Zip poly bag

Physical characteristics

Length:	40 mm
Colour:	transparent
