

## PRABOX

### Key Features:

- Special Outdoor Weatherproof Enclosure Dedicated for Mikrotik RouterBOARDS
- High Quality Construction
- Heavy-Duty Mounting Elements
- Easy Elevation and Tilt Adjustment
- 5 Years Warranty
- Designed for All Weather Operation

### Applications:

- WIFI Instalations
- Outdoor Electronics Housing

### Description:

Outdoor enclosure is used wherever you need to protect your electronics from outdoor operations. The range includes weatherproof outdoor enclosure, mounting kits and enough compartment for RouterBoard or any other electronic equipment. Enclosure is furnished with special RJ-45 waterproof ethernet connector with an easy connection to Internet Network and PoE. Perfectly designed for operation under severe weather conditions. Proper materials allow operation in the salty water environment without corrosion. High quality construction of pole mounting elements guarantee easy elevation and easy tilt down as well as rock-stable operation. Inside the enclosure are suitable posts for Mikrotik RouterBOARDS 411 and 433 series.
