Product Description

Gigaset C575A black

The Gigaset C575 cordless telephone provides the perfect symbiosis of design, ergonomics and power for maximum comfort and convenience when telephoning. The slim design makes it easy to hold and combines an elegant appearance with modern technology: Smart and compact on the outside and full of practical ideas inside, this reliable family phone is wonderfully user-friendly. Thanks to the outstanding voice quality and optimum acoustics, making phone calls becomes a pleasure.

The Gigaset C575A model variant also offers an integrated digital answering machine with up to 30 minutes' recording time.
