QMP - quickMOUNT Pro

from **6,14 EUR**

Item no.: QMP
shipping weight: 0.30 kg
Manufacturer: MikroTik

Product Description

MikroTik QMP - quickMOUNT Pro The quickMOUNT Pro is an advanced wall mount adapter for small point-to-point and sector antennas. You can mount it on the wall or use it as an adapter from large diameter pole to small size antenna mounting clip ensuring reliable fitment. The quickMOUNT Pro gives you the possibility to turn the antenna within 140° both in horizontal and vertical plane. With the quickMOUNT Pro it is possible to perfectly align the antenna using the integrated graduated scale. You can use the quickMOUNT Pro with any pole-mountable device or MikroTik's small mounting clip with a weight less than 1.5 kg.

- Its simple and low cost.
- Supports SXT, Omnitik, BaseBox or any other pole-mountable device.

The adapter is very durable due to its special plastic material composite - anvilNITE(TM).
