Product Description

itelite Rocket Adapter for Panel + Enclosure, suitable for Rocket devices

Universal Rocket mounting adapter which allows you to attach a Rocket to itelite antennas. It works with all the SRA series antennas and dual polarization panel antennas. Other antennas, like PRO-SECTORS or PRAs, don't need an adapter to mount a Rocket inside.

Features:

- Easy Rocket mounting (no screwdriver need)
- Secure Rocket mounting
- Fits all SRA series antennas

MIMO Antennes for :

- SRA09010dual
- SRA24014dual
- PAT50021dual H&V
- PRA50018dual H&V
- SRA50021dual H&V
- PRO-SECTOR50016dual
- PRO-SECTOR50018dual-box
