

Item no.: OD-OMNITIK

OD-OMNITIK - RF Interference Shielding for OmniTik UPA-5HnD

from **36,43 EUR**

Item no.: OD-OMNITIK
shipping weight: 1.50 kg
Manufacturer: RF Shielding

Product Description

RF Interference Shielding for OmniTik UPA-5HnD Shielding is lowering the unwanted radio-frequency interference. Thanks using the shielding the amount of network failures caused by interference hits zero and the stability of the connection will be significantly improved. Shielding is increasing the efficiency of the antenna.

- Material: stainless steel
- Compatible with OmniTik UPA-5HnD
