

Item no.: SD4B_2

SD4B - memory card, 4GB, SD

from **15,09 EUR**

Item no.: SD4B_2
shipping weight: 0.10 kg
Manufacturer: PC Engines

Product Description

PC Engines SD4B_2 - 2x 4 GB SD Cards

2x SD cards 4GB pSLC Phison (for APU, MLC flash running in SLC mode).

- 2x 4 GB SD cards, pSLC flash, RoHS compliant
- Specifications: 4 GB mSATA SSD, Phison controller, MLC NAND flash operated in pseudo SLC mode
- Use with: APU1D series

About pSLC: pSLC / pseudo SLC means that MLC flash (2 bits per cell, 4 voltage levels) is used in SLC mode (1 bit per cell, 2 voltage levels). This reduces capacity by half, but ensures better endurance and write performance.
