### Product Description

Jovision KB011-DC - Cable Box for Jovision JVS-N5DL-DC With the cable box KB011-DC, loose and hanging cables are a thing of the past. You can connect your installation cables and the fanout cable directly to the IP surveillance camera and then stow them in the box.

There will no longer be a need for unaesthetic surface boxes, which have to be mounted on the wall as well to stow away cables.

Suitable for:

- JVS-N5DL-DC
- Material: metal
- Color: white
- Application areas: wall and ceiling mounting
- Bearing load: max. 4.5 kg
