

Item no.: WIRELESS-WIRE

RBWAPG-60ADKIT - Pair of pre-configured wAPG-60ad devices for a 60 GHz connection

from **197,14 EUR**

Item no.: WIRELESS-WIRE
shipping weight: 0.60 kg
Manufacturer: MikroTik

Product Description

MikroTik - Wireless Wire The Wireless Wire is a breakthrough solution that offers fibre optic speed and quality at a fraction of the price. This amazing kit replaces your Gigabit Ethernet cable with two small devices linked together via a 60 GHz wireless connection. Simply align the included devices and switch them on, a 1 Gbit full duplex connection is established to instantly replace your cable - that's why we call it Wireless Wire! The Wireless Wire establishes a secure AES-encrypted 60 GHz wireless connection unaffected by the crowded Wi-Fi spectrum, providing a stable and fast connection for distances of 100 metres or more. The box includes two wAP60G devices already linked together, a wall mounting kit, pole mounting brackets and a pair of table stands for indoor use. Depending on the material, the link even works through most windows. Included parts- 24 V/0.38 A power supply- Gigabit PoE injector- 2x plastic cable ties- wAP mounting bracket- 1x metal ringK52 screw set- Product code: RBWAPG-60ad kit- Architecture: ARM 32bit- CPU: IPQ-4019-0-583MSP-TR-00-0- CPU core count: 4- Nominal CPU frequency: 716 MHz- Dimensions: 185 x 85 x 30 mm- Licence level: 3- Operating system: RouterOS- RAM size: 256 MB- Memory size: 16 MB- Memory type: FLASH- Max. Power consumption: 5 W- PoE In: 12-57 V- Number of DC inputs: 2 (DC power plug, PoE-IN)- Input voltage DC power plug: 12-57 V 10/100/1000 Ethernet ports: 1
