Product Description

AAEON EP-PS5V6A65WUPS - 5 V, 6 A Power Supply max. 65 W, 150 cm If you would like to connect all devices with UP Squared, you might require more power input. The UP Squared 5 V, 6 A power supply with max. 65 W and a cable length of 150 cm can provide that power.
A power cord is not included and can be bought separately in our shop (EP-CBPC250V3PEU).
