from **73,07 EUR**

Item no.: EP-CHUPSMTVBPLX
shipping weight: 0.30 kg
Manufacturer: UP Bridge the Gap

Product Description

AAEON - Fanless Enclosure for UP Squared Atom CPU, VESA Plate This new UP fanless enclosure is made of black anodized aluminum alloy and has a modern design with the blue UP Squared logo on top. It offers enough height for an UP Squared board with an Apollo Lake ATOM processor and will securely protect it.

Included in delivery:

- 1x enclosure
- 1x 75/100 VESA mounting plate
- 4x hex standoffs
- 10x screws
