Item no.: MC-695W shipping weight: 0.20 kg Manufacturer: Maclean Brackets

Product Description

Maclean MC-695W - Cable duct, white, 60 x 20 x 750 mm

Cable duct cover strip that allows you to aesthetically conceal cables between AV devices.

The cable duct cover strip is made entirely of sturdy plastic with a trapezoidal cross-section. The cover strip is in two parts and can be fixed to the wall with screws.

- The length of the strip: 750 mm
- Width: 60 mm
- Height: 20 mm
 Very easy and fast installation of cables
 Wall mounting with dowels
- Can be shortened (by cutting to size)
 Colour: White

- Powder coated
 Very high processing quality
 Wall mounting screws included in scope of delivery
