

Item no.: MC-808

MC-808 - Socket holder

5,80 EUR

Item no.: MC-808
shipping weight: 0.50 kg
Manufacturer: Maclean Brackets

Product Description

Maclean MC-808 - Socket holder

The socket strip holder allows the socket strip to be attached to the tabletop for easy access to the mains plugs and also reduces cable clutter under the desk. Mounting with a table clamp is simple and tool-free.

The bracket can be attached to a tabletop, table, etc. with an edge thickness of 10 to 55 mm and is compatible with most plug connectors from 40 to 60 mm wide. A cable guide on the back of the bracket makes it easier to organise the cables of the connected devices.

- Mounted on the edge of a desk, table, etc.
- High quality workmanship
- Reduces cable clutter
- Facilitates access to the power plugs of the connected devices
- Quick and easy installation
- Silicone washers
- Can be mounted on 10-50 mm thick edges
- Compatible with most 40-60 mm wide socket units
- Colour: White
