## S30852-H2503-B101 - Gigaset - E630 black

from **109,77 EUR**

Item no.: 327876

shipping weight: 0.50 kg

Manufacturer: Gigaset Communications

### Product Description

#### Gigaset - E630 black

If you run a craft business or have small children, you can handle heavy load well. The Gigaset E630 cordless phone can do this too. Crafting equipment as well as children constantly pose new challenges. That's why this rugged cordless phone is both impact resistant and water and dust repellent.

With the new GO technology (Gigaset E630A GO only) you can choose between fixed-line telephony with one telephone number and up to six Internet telephone numbers for two simultaneous calls. Or connect your phone to gigaset.net to make free calls to other Gigaset GO devices worldwide. Also included: three integrated answering machines with up to 55 minutes recording time and personalized greeting. Access to exciting Internet services completes your new phone experience - eg. With access to online directories or weather information. You can even connect your smartphone to the GO phone using a variety of handy apps. For example, you can easily transfer your cell phone contacts to the handset. The future is now.
