Product Description

DMM-7-38-2TS9 5G/4G/3G/2G MiMo Desk Mount Antenna

The DMM-7-38 Portable MiMo Antenna offers a lightweight and stylish solution for your 4G connection. With 2G/3G fallback, the DMM-7-38 can improve your connection in challenging coverage areas.

The unique X design enables MiMo connectivity for 5G/4G through two omni-directional ultra wideband elements. The DMM-7-38 comes fully equipped with 3 solutions for different mounting options. With fold away feet, a laptop screen clip and suction cup for window mounting, the DMM-7-38 is a highly versatile antenna
