Product Description

MC-861 - VESA Screen/TV Mount for 2 Screens, 13-27", black, 2x 8 kg

Universal LCD or LED monitor holder with the option of mounting it to a desk or table top. Bracket designed for 13"- 27" monitors with a maximum weight of 2x 8 kg.

The mount is made of the highest quality materials (combination of steel, pressure-molded aluminum and plastic) in black. The elements of the monitor holder have been perfectly matched providing a stable and secure support for the monitor.

The Maclean MC-861 LCD monitor arms provide great comfort at work. They optimize ergonomics and the view at the monitor by adjusting the angle of inclination, rotation, height, etc.

The arms are made of high quality materials. They are equipped with durable mounting brackets that allow attachment to a table top or other flat surfaces. Perfect for use in, among others, the office and home - without drilling holes in the desks or walls.

You can easily attach a VESA 75x75 or 100x100 screen to the mount.

- Maximum load: Up to 8 kg (for each handle)
- The degree of inclination can be adjusted from +35° to -50°
- 180° rotation adjustment
- Minimum/maximum horizontal spacing: 75/100 mm
- Minimum/maximum vertical spacing: 75/100 mm
- Solid aluminum construction, very easy assembly
- High quality
- Can be mounted on a desk or table top
- Powder coating (black)
- Designed for 2x monitors up to 27" (or larger if their weight does not exceed 8 kg and the VESA standard is compatible with the bracket)
- Set of mounting screws included
- Cable grommets/holders
- You can easily attach a screen in the VESA standard of 75x75, 100x100 to the holder
