### Product Description

Delock 5.25 inch Mobile Rack for 1 x 3.5 inch SATA HDD

This mobile rack can be installed into a free 5.25 bay of your desktop PC and enables the operation and a quick exchange of a 3.5 SATA HDD. The fans on the bottom side of the mobile rack enable an optimal cooling.

- With vibration protection to protect the HDD against shock
- Stabilisation of HDD by mechanical spring
- Control board for automatically switch-off of HDD when opening the flap
- For installation in 5.25 inch bay
- For 1 x 3.5 inch SATA HDD
- Connectors inside: 1 x SATA 22 pin female (NSS connector)
- Connectors rear: 1 x SATA 22 pin male
- Suitable for 3.5 inch SATA HDD up to 6 Gb/s
- 2 integrated fans
- Mobile rack with key lock
- 2 x status LED
- Hot swap
- With special SATA NSS connector internally to protect the SATA connector of the HDD from wear and tear with each change
- OS independent, no driver installation required
- System requirements: PC with a free 5.25 bay, PC with a free SATA port, power supply unit with a free power connection.
- Package contents: removable frame, 1 x SATA data cable, 1 x SATA power cable, 2 x keys, screws, operating instructions
