Product Description

Delock Network Adapter M12 4 pin D-coded female to RJ45 jack

This industrial Ethernet adapter by Delock can be used to connect various components with M12 connectors, e.g. for machine control or automation.

Due to its compact dimensions, the adapter is very well suited for installation in a switch cabinet. Devices with M12 connectors can be integrated into an existing network structure.

- Connectors: 1 x M12 female 4 pin D-coded > 1 x RJ45 jack
- PROFINET specification
- Pin assignment according to PROFINET standard
- Cat.5e specification
- Housing material: TPU
