F6 KEY FINDER - Wireless Key Tracker

from **15,02 EUR**

Item no.: 343432

shipping weight: 0.10 kg

Manufacturer: MINEW Technologies

Product Description

F6 - Wireless Key Tracker

The wireless key finder contains an nR52 series Bluetooth 5.0 chipset and accelerometer sensor. It is thin and can be attached to keyrings or simply stored in your item of choice. The maximum range is 100 feet in open space and you can replace the batteries on your own whenever they run out. When the luggage or other items are moved, the tracker will alarm automatically.
