📄 Product Description

2 inch E-Ink-Display PapiRus
The PaPiRus displays are a HAT family for use with Raspberry Pi products. The HATs are available in three different sizes of ePaper displays: Small (1.44"), Medium (2.0") and Large (2.7"). There is also a multipack with a display of each size.
ePaper displays are designed to show text just like ink on paper. Simply plug the PaPiRus HAT on top of your Pi and you can start with your project.
