## DECO E4(3-PACK) - AC1200 Whole-Home Mesh Wi-Fi System

**103,42 EUR**

Item no.: 356333  
shipping weight: 1.90 kg  
Manufacturer: TP-LINK

### Product Description

Deco uses a system of units to achieve seamless Wi-Fi coverage throughout the home - eliminate areas of weak signal once and for all! With Deco's advanced mesh technology, units work together to form a unified network with a single network name. Units automatically switch between Decos as you move through your home for the highest possible speed.

A Deco E4 three-pack delivers WLAN to an area of up to 4,000 square feet (EU version). And if that's not enough, you can always simply add more Decos to the network to increase coverage.

Deco E4 provides fast and stable connections with speeds of up to 1167 Mbps and works with major Internet service providers (ISPs) and modems.

Deco can handle traffic from even the busiest networks and provides delay-free connections for up to 100 devices.

Parental controls limit online time and block inappropriate websites based on individual profiles created for each family member.

With the Deco app guiding you through each step, setup is easier than ever.

WLAN

- Standards: Wi-Fi 5, IEEE 802.11ac/n/a 5 GHz, IEEE 802.11n/b/g 2.4 GHz
- WLAN speeds AC1200: 5 GHz: 867 Mbit/s (802.11ac); 2.4 GHz: 300 Mbit/s (802.11n)
- WLAN range: for homes with 3-4 bedrooms (3-pack)
- TP-Link mesh technology: optional Ethernet backhaul works together to connect Deco units and ensure seamless coverage
- 2x Antennas (Internal): Multiple antennas form a signal amplifying array to cover more directions and large areas
- Beamforming: Concentrates the strength of the wireless signal to clients to extend WLAN range
- WLAN range: Medium
- Dual band: Distribute devices across different bands for optimal performance
- MU-MIMO: Communicates simultaneously with multiple MU-MIMO clients
- Operating modes: Access point mode, router mode

Hardware

- Button: Reset button
- Ethernet ports: 2x 10/100 Mbps ports

Physical

- Dimensions (WxDxH): 90.7 x 90.7 x 190 mm
- Package contents Deco E4 (3-pack): 3x Deco E4R units, 1x RJ45 Ethernet cable, 3x power supply units, 1x quick installation guide

Other

- Certification: CE, FCC, IC, NCC, BSMI, IDA, RCM, JPA, JRF, VCCI, KC, RoHS
- System requirements: Android 5.0 or higher, iOS 9.0 or higher

Environment

- Operating temperature: 0°C ~ 40°C (32°F ~ 104°F)
- Storage temperature: -40°C ~ 70°C (-40°F ~ 158°F)
- Operating humidity: 10 to 90 %, non-condensing
- Storage humidity: 5 to 90 %, non-condensing
