Product Description

1 m HDMI to Micro HDMI Cable, White

Introducing the Okdo Micro HDMI to HDMI cable, ideal for carrying clear signals over long distances. The high-speed cable also allows for a thinner more pliable wire gauge for improved cable flexibility and better portability. It meets the latest HDMI standards, and supports bandwidth up to 18 Gbps.

- 19-pin MicroHDMI/M to 19-pin HDMI A/M
- 4K @ 60 Hz TV test
- White plastic core
- Gold plated terminal and iron shell
- Compatible with: PDA, iPad, PS3, Xbox, Laptop, etc.
- 30 AWG
- Operating temperature: 0°C to 50°C (?75% RH)
