Product Description

Stainless steel cable ties 250 x 7.9 mm, -60°C to +550°C, 20 pcs.

Whether fixing, arranging, bundling or sorting - the ultra-thin stainless steel cable ties can be used universally and are characterised by high tensile strength, heat and corrosion resistance. They can be used not only in crafts, technology and industry, but also in the private sector. Thanks to their UV resistance, these cable ties are also suitable for outdoor use.

- Material: 304 stainless steel
- Max. bundle diameter: 37 mm
- Tensile strength: up to 100 kg
- Fire resistance class: 94V-0
- Operating temperature: -60°C to +550°C
- Can be used once
- UV-resistant, ideal for outdoor use
- Package content: 20 pieces
- Length x width: 250 x 7.9 mm
- Thickness: approx. 0.25 mm
