

Item no.: 350070

KF548C38BBK2-32 - FURY Beast 32 GB DDR5 4800 MHz, 2 Module, low profile heatsink

from **105,14 EUR**

Item no.: 350070
shipping weight: 0.10 kg
Manufacturer: Kingston

Product Description

FURY Beast - DDR5 - Kit - 32 GB: 2 x 16 GB - DIMM 288-PIN - 4800 MHz / PC5-38400 - unbuffered.

Kingston FURY™ Beast DDR5 brings the latest technology to next-generation gaming platforms. For a further boost in speed, capacity and reliability, DDR5 has a full arsenal of enhanced features, including On-Die ECC (ODECC) for improved stability at extreme speeds, dual 32bit sub-channels for greater efficiency and a module power management integrated circuit (PMIC) that delivers power where it's needed most.

Superior advances in speed with the doubling of banks from 16 to 32 as well as the doubling of burst length from 8 to 16 take DDR5 memory, your gaming experience and your overall system applications to the next level of performance.

Whether you're pushing the limits when gaming at extreme settings, live streaming in 4K+, or doing big animations and 3D rendering, Kingston FURY Beast DDR5 the memory is the necessary boost that seamlessly blends style and performance.

It also utilises Intel® XMP 3.0, a new overclocking specification that includes two customisable profiles for speeds and timings.

- Higher performance from 4800MHz
- Improved stability for overclocking
- More efficiency
- Intel® XMP 3.0 Ready and Certified
- Tested by the world's leading motherboard manufacturers
- Plug-and-play at 4800MHz 2
- Low-profile heatsink design

- Type: DRAM
- Technology: DDR5 SDRAM
- Data integrity check: On-die ECC
- Supply voltage: 1.1 V
- Form factor: DIMM 288-PIN
- Memory capacity: 32 GB (2 x 16 GB kit)
- Module configuration: 2048 x 64
- Metal plating: Gold
- Memory speed: 4800 MHz
- CAS Latency: CL38
- Memory specification compliance: PC5-38400
- Chip organisation: 2048 x 8
- Registered or buffered: Unbuffered
- RAM Features: Single Rank, Serial Presence Detect (SPD)
- Module height (inches): 1.4
- Latency: 38-38-38
- Modules in Kit: 2
- Width: 133.35 mm
- Depth: 6.62 mm
- Height: 34.9 mm
