shipping weight: 0.20 kg
Manufacturer: Teltonika

Product Description

IP67 case + standard cable

IP67 certified casing provides trusted protection against dust and water which means that tracking in harsh conditions is possible now! The innovative click type two-phase casing closing ensures both reliable tracking and ease of use at the same time, as they need no additional tools for installation. There are no screws, nuts or bolts to handle.

Teltonika also took into account the requests for different types of cables. As a result, not only standard but also U-type cable is now available in a combination with a certified IP67 casing.

Now you can adapt this accessory to the FMx1 series devices, such as FMB125, FMB130, FMB140, FMC125, FMC130, and FMM130 and make them IP67 resistant. This accessory is made to expand your possibilities – the water and dust resistant way!

- Suitable for: FMx125, FMx225, FMx130, FMx230, FMB140, FMB240
