from **228,23 EUR**

Item no.: 351770
shipping weight: 1.50 kg
Manufacturer: Delock

Product Description

KVM 4 in 1 Multiview Switch 4x HDMI with USB 2.0

This KVM switch by Delock is a convenient solution for connecting four computers with HDMI output to one HDMI monitor. Furthermore, four USB 2.0 type-A ports can be used to connect a mouse, keyboard, printer or USB drive.

In Multiview Mode, all 4 PCs are displayed on one monitor simultaneously. Operating the keyboard and mouse is possible without switching. When the mouse is moved over one of the desktops, it is activated for input. Alternatively, the Sync Mode can be turned on, where all connected PCs receive the same signals from the input devices.

The active computer can be selected by mouse button, keyboard hotkey, button on the device or infrared remote control.

- Connectors: Input: 4x HDMI-A female, 4x USB 2.0 type-B female, 1x 12 V DC jack; Output: 1x HDMI-A female, 4x USB 2.0 type-A female
