Product Description

Delock Adapter USB 2.0-A female to mini USB male

With this USB adapter from Delock, the mini USB interface of a device can be converted into a standard USB-A socket and connected to a free USB port of a PC or notebook using an existing USB-A cable. This adapter is also ideal for various car radios with a mini USB port, as a USB memory stick, MP3 player etc. can be plugged in and your own music played.

- Connectors: USB 2.0 type A socket > 1 x mini USB plug
- USB socket fully shielded
- Contacts nickel plated
- Colour: black
- System requirements: One free mini USB socket
- Package contents: Adapter
