80125 - Patchcable Cat.6, SF/UTP, 5m, green

34,51 EUR

Item no.: 354055
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

Description This network cable by Delock can be used to connect various network devices, e.g. a network card with a switch or patch panel. The angled connector enables space-saving installation in tight spaces behind devices or in network cabinets. **PROFINET standard** The cable is particularly characterised by the PROFINET standard and its tensile strength between the connectors and the cable. The robust jacket made of PUR material protects against excessive bending, e.g. with moving machine parts and drag chains. **Technical data-** Connections: 1 x RJ45 plug 1 x RJ45 plug 90° angled- 1:1 connection- Cat.6 Specification- Shielding SF/UTP- Wire cross-section: 26 AWG- Cable diameter: approx. 7.0 mm- Ambient temperature: -20 °C ~ 75 °C- Cable sheath material: PUR (TPU)- Colour: green- Length: approx. 5 m **System requirements-** One free RJ45 socket **Package contents-** Patch cable
