

Item no.: 353768

19056 - Braided hose with Velcro fastener 10 m x 19 mm black

from **34,90 EUR**

Item no.: 353768
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

This braided sleeving from Delock is suitable for bundling exposed cables, electrical cables or wires to protect them from dirt or damage.

Velcro fastener

The Velcro fastener allows the braided sleeving to be opened and closed multiple times.

Excellent durability

The braided sleeving is characterised by its high abrasion resistance and heat resistance.

Reusable

The cables and hoses can be added or removed several times.

Cuttable

The length of the braided sleeving can be individually shortened with the help of a hot cutting device.
