### Product Description

This braided sleeving by Delock is suitable for bundling exposed cables, electrical lines or wires to protect them from dirt or damage. The braided sleeving closes automatically after the cables are added. The braided sleeving is characterised by its high abrasion resistance and heat resistance. The cables and sleeving can be added or removed several times. The length of the braided sleeving can be shortened individually with the help of a hot cutter. - Length approx. 5 m - Diameter approx. 19 mm - Bundle diameter max. 20 mm - Ambient temperature - °C ~ 125 °C - Reusable - Material: approx. 5 m Length: approx. 5 m- Diameter: approx. 19 mm- Bundle diameter: max. 20 mm- Ambient temperature: -40 °C ~ 125 °C- Reusable- Material: polyester- Fire resistance class: 94V-2, VW-1- Colour: white- Package contents: braided sleeving
