from **53,70 EUR**

Item no.: 357468
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This adapter cable by Delock, consisting of a magnetic HDMI adapter and the matching USB-C™ cable, is used to connect various HDMI devices, such as TVs, projectors, monitors, etc., to a system with a free Thunderbolt™ 3 or USB-C™ interface and Displayport Alternate Mode support. The adapter is designed so that it can remain in the socket of the device and prevents wear on the socket as well as serving as dust protection. Magnetic function When using the adapter, it can be connected to the cable interface, which is also magnetic, via the magnetic opposite side. The magnetic force supports a secure HDMI connection. Quality The adapter is visually and qualitatively impressive with its elegant aluminium housing, making it particularly robust, lightweight and durable. The spring contacts (pogo pins) guarantee high functional reliability with a very high number of cycles. Note The connection can be disconnected if the cable is subjected to a high tensile load.

Specification- Connections: 1 x USB Type-C™ plug > 20 pogo pin, 1 x HDMI-A plug > 20 pogo pin- Transmission of audio and video signals- Wire cross-section: 32 AWG data line, 24 AWG power line- Resolution up to 3840 x 2160 @ 60 Hz (depending on the system and the connected hardware)- Supports HDCP- Cable diameter: approx. 4.5 mm- Gold-plated contacts- Cable length without connections: approx. 1.2 m- Adapter dimensions (LxWxH): approx. 33 x 20 x 9 mm- Material: aluminium- Colour: black System requirements- Device with a free HDMI socket- Computer, tablet or smartphone with a free USB Type-C™ port and DisplayPort- Alternate mode or- PC or notebook with a free Thunderbolt™ 3 port Package contents- HDMI adapter- USB-C™ cable
