

Item no.: 357979

Walli Controller

from **49,99 EUR**

Item no.: 357979
shipping weight: 0.50 kg
Manufacturer: Fibaro

Product Description

The FIBARO Walli Controller is part of the smart FIBARO Walli range. With the smart Z-Wave remote control for wall mounting, you can activate scenes or control different types of Z-Wave devices, e.g. switches, dimmers or shutters. Thanks to the preset configurations, you are provided with easy customisation for operation.

Specifications:

- Mounting on a smooth surface or alternatively on a mounting box
- battery or VDC power supply
- built-in temperature sensor
- different Z-Wave network security modes: S0 with AES-128 encryption and S2 authentication with PRNG-based encryption
- Functions as a Z-Wave signal repeater (with VDC power supply)
- Item dimensions (WxHxL): 86 x 86 x 19 mm
- Packaging dimensions (WxHxL): 113 x 139 x 37 mm
- Item weight (net): 0.120 Kg
- Item weight (gross): 0.051 Kg
- Battery ER14250 (1/2AA)
