📄 Product Description

This Easy 45 module from Delock provides an HDMI socket. Thanks to the simple snap-in mechanism, the module sits firmly in place and can be easily removed if necessary.

Easy 45 is a variable, modular system that allows components such as sockets, HDMI or USB connections to be put together according to your own needs. The Easy 45 modules are standardised and can be mounted in various module supports or parapet channels. Easy 45 forms the interface between electrical, network and system installations and many peripheral devices such as TVs, monitors, printers, notebooks and much more.
