

Item no.: 361889

Slot bracket 2x USB 2.0 type A socket external

from **4,60 EUR**

Item no.: 361889
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

The USB bracket from Delock, for installation in a standard PC slot, enables you to lead an internal 10 pin USB connection to the outside and thus expand your PC by 2 external USB 2.0 type A ports. You can connect various devices to the USB ports, e.g. card readers, external housings, MP3 players, etc.

- Connections: 1x USB 10 pin internal, 2x USB 2.0 type A socket external
- Pitch distance: 2.54 mm
- With slot bracket for installation in PC slot
- Cable length: 30 cm
