from **29,84 EUR**

Item no.: 361866
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This audio adapter from Delock allows you to connect a device or headphones with a 4.4 mm 5 pin jack plug, for example, to a mobile phone with a USB Type-C™ interface. CX21988 chipset The CX21988 chipset supports high-resolution audio with first-class headphone performance and also features extremely low distortion and tuning options to significantly improve the performance of the connected transducers. 5N PCOCC silver-plated cable The silver-plated 5N PCOCC cable supports higher transmission efficiency than copper and therefore offers the advantages of very fast, crystal-clear signal transmission and lower electrical resistance. At the same time, the cable is very flexible and durable. Silver-plated cables are used especially for high-end audio and video applications.
