from **212,39 EUR**

Item no.: 361056  
shipping weight: 2.90 kg  
Manufacturer: Delock

### Product Description

This pre-assembled fibre optic splice box from Delock can be installed in a 19" equipment cabinet and is ideal for quickly and securely setting up the fibre optic network in buildings. Equipped ready for splicingThe fibre optic box is equipped with 24 LC duplex couplings and 48 pigtails that are already inserted in the splice cassette ready for splicing. With drawerThe front panel can be pulled out, making it possible to work on both sides of the couplings without removing the cover.
