

Item no.: 361316

Delock USB Type-A to Serial DB9 Adapter with 9 LED RS-232 Tester

from **43,59 EUR**

Item no.: 361316
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

This USB Type-A to serial DB9 adapter with RS-232 tester from Delock combines two functions in one device. The RS-232 port provides a connection for serial printers, measuring devices, machines, etc. In addition, the nine LEDs in the connector provide simultaneous information about the status of the RS-232 data and the USB power supply. The RS-232 tester can be used for troubleshooting and helps to analyse the serial control and data lines.

Specification

- Connectors: 1xUSB type-A plug-1xSerial RS-232 DB9 plug
- Serial connector with nuts
- Chipset: FTDI FT231XS
- Data transfer rate up to 460.8 Kbps
