Product Description

Mikrotik Radome Cover Kit for mANT 30 dBi parabolic antennas, 4-pack

Radome Cover Kit is now available for MikroTik's mANT 30 dBi parabolic antennas!

It reduces wind load, protects the reflector surfaces from harsh environments, protects the antenna feed from falling objects, as well as positively affects the antenna sustainability and operational life.

Radome Cover Kit made of a special material that has a low dielectric constant. A wide temperature range and direct sunlight won't affect it.
