## FIBEFGPB-101 -1 - The Button, Z-Wave Plus compatible, white

from **42,57 EUR**

Item no.: 319362  
shipping weight: 0.10 kg  
Manufacturer: Fibaro

### Product Description

#### Fibaro - The Button

The Button is a compact, battery-powered, Z-WavePlus compatible device. It allows you to control devices through the Z-Wave network and run various scenes defined in Fibaro System. Different actions may be triggered with one to five clicks or by holding the button down. In panic mode, each press of the button results in triggering of the emergency scene. With its small design and wireless communication, the Fibaro Button can be conveniently mounted on any surface and in any position or location at home, e.g. beside the bed or under the desk.

#### Main Features
