Item no.: 330440  
shipping weight: 0.10 kg  
Manufacturer: VARIA Group

### Product Description

Switching Power Supply, stabilized with 9 V output voltage, Eco-Friendly, 600 mA (NB-9038)

This new, handy power supply already complies with the international standards ecodesign, CEC and MEPS. The aim of these standards is to reduce stand-by losses and thus CO2 emissions. The power supply has an energy saving of 90% in stand-by mode compared to conventional power supplies. During operation it saves 40% energy.

#### Features:

- Manufactured according with the EuP Directive 2005/32/EC EuP
- Environmentally friendly design of an energy-using product (EuP)
- Low weight
- Power consumption in stand-by is only 0,16 watt
- With a fixed DC connector 5,5 x 2,1 x 10 mm
- With power LED
- Attractive packaging
- Dimensions: 69 x 39 x 31 mm
- Power: up to 6 Watt
  
- Input voltage: 100-240 V AC
- Output voltage: 9 V DC
- Output current: 660 mA
- Input connector AC: Euro
- Performance: Stabilized
- Connector plug DC: 1x 5,5 x 2,1 x 10 mm
- Switching power supply: Yes
- Short circuit fuse: Yes
- Protection from overload: Yes
- Protection from overcurrent: Yes
- Protection against overheating: No
- USB port: No
