100-00039(NID) - NID - Gigabit Network Interface Device, ESD protection and grounding point

from **16,15 EUR**

Item no.: 333846
shipping weight: 0.20 kg
Manufacturer: Mimosa Networks

Product Description

NID - Gigabit Network Interface Device, ESD protection and grounding point

The cost-effective Mimosa gigabit Network Interface Device (NID) protects electrical systems from ESD (electrostatic discharge) surges. Its designed for exterior wall mounting, providing outdoor technician access, ESD protection and a grounding point for all radio installations. With a rugged IP54 rating, it has a dust and water-resistant design with a foam cable entry seal and a security fastener tie point.
