Product Description

Delock Cable Duct with Cover 35 x 20 mm - length 1 m white

This cable duct by Delock can be used to bundle and conceal exposed cables with a small diameter, to protect them from dirt or damage.

- Toolless assembly: The cable duct is provided with an adhesive tape on the bottom and can therefore be easily and simply attached e.g. to the floor or the wall. The adhesive tape also ensures a firm and secure hold.
- Plenty of space for different cables: Depending on the diameter and thickness of the individual cables e.g. antenna cables, HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away.
- Reusable: The cable duct has a lid that can be opened at the side to add or remove cables.
- self-adhesive
- Reusable
- Individually shortenable
- Environmental temperature: -40 °C ~ 65 °C
- Material: PVC
- Colour: white
- Dimensions (LxWxH): ca. 1000 x 35 x 20 mm
- Package content: Cable duct
- Package: White Box
