Product Description

SHUTTLE H-RS232 Com-Port seriell

Shuttle XPC Accessory H-RS232 - Serial Port Adapter (RS232).

With the help of this adapter, several Shuttle XPCs can be equipped with a serial RS232 port. Doing so, a Sub-D connector is added to the backpanel which is connected to the serial interface on the mainboard.

Scope of delivery:

- Adapter with installation guide

Ports:

- External: Sub-D, 9 pins, male
- Internal: 10-pin (2x5), female, 2.54mm pitch

Cable:

- 9 pin ribbon cable, length: 32cm

Compatibility:

- This accessory is compatible with the Shuttle XPCs SA76R4, SH67H3, SH67H7, SH61R4, SZ68R5, SZ77R5, SX79R5, SH81R4, SH87R6, SZ87R6, SH97R6, SH110R4, SH170R6 (Plus), SZ170R8, SZ170R8V2, SZ270R8, SZ270R9, SH310R4, SH310R4V2, SH370R6 (Plus), SH370R6V2 (Plus), SH370R8.
