PHD4 - 3,5" Hard Disk Rack for 3-litre-PCs

from **26,42 EUR**

Item no.: 341010
shipping weight: 0.40 kg
Manufacturer: Shuttle

Product Description

SHUTTLE 3,5" Hard Disk Rack for Shuttle 3-litre-PCs

The PHD4 allows for installation of one 3.5" hard drive. However, doing so means no other drives such as a slimline DVD drive or a 2.5" HDD/SSD can be used.

Scope of delivery

- 3.5" HDD bracket (1x)
- 3.5" HDD power cable (1x)
- Screws (4x)
- Quick installation guide

Compatibility

- Compatible with the following Shuttle XPC slim Barebones: XH81, XH81V, XH97V, XH110, XH110V, XH170V, XH310, XH310V, XH310R, XH310RV
- Not compatible with: XG41, XH61, XH61V and XH110G

Caution: Hard disks in Shuttle XPC slim PCs should only be used at ambient temperatures of up to 40 °C. For higher temperatures SSDs are recommended instead.
