## FGRGBW-442 - RGBW Controller 2 Radio Module

from **54,74 EUR**

Item no.: 344343  
shipping weight: 0.10 kg  
Manufacturer: Fibaro

### Product Description

#### RGBW Controller 2

Unleash your fantasy and express your mood with colored light! With the FIBARO RGBW Controller 2 you paint your bath room in light using LED stripes, adjusted to the water temperature in your bathtub. Or make the light in your home red as soon as a sensor alarms. There are 3 million colors at your disposal. The only limit is your imagination.

Thanks to the compact radio module, you can integrate connected RGB and RGBW LED lightings into your Z-Wave network. Using remote control, smartphone or sensor-controlled automation you can switch and dim the LEDs – and you can select any color value.

Features:

- Radio module for wall box installation
- Switch, dim and RGBW color selection function
- Energy metering function
- Voltage: 12 V or 24 V DC
- Max. output: 6 A single channel, 12 A all output channels in total
- Energy consumption: <0.3 W
