Item no.: 345870
Z-0283 - Raspberry Pi heat sink, 3 pieces, aluminium

7,00 EUR

Item no.: 345870
shipping weight: 0.10 kg
Manufacturer: OKdo

📄 Product Description

Raspberry Pi heat sink, 3 pieces, aluminium
Introducing: The OKdo Aluminium Heatsinks, compatible with the Raspberry Pi 4. Flat and simple, the heatsink can be firmly attached to the SOC heater chip to prevent loosening, while effectively transferring heat and reducing that of the Raspberry Pi unit itself.

- Material: aluminium alloy
- Heat dissipation 47.37%, test range: 76°C
- Operating temperature: 0°C to 76°C (1-75% relative humidity)
