Product Description

Adapter USB 3.0 male-female angled 270° vertical

This USB 3.0 adapter from Delock can be used to connect USB devices and angles your USB 3.0 socket by 270°. This allows you to easily connect your USB cable if the existing USB socket is difficult to access. The USB-A plug is also compatible with its predecessors USB 2.0 and USB 1.1, so you can continue to use your existing USB devices.

- USB 3.0 specification
- Connectors: USB 3.0 male A > USB 3.0 female A angled
- Data transfer rates up to: Super-Speed 5 Gb/s, High-Speed 480 Mb/s, Full-Speed 12 Mb/s, Low-Speed 1.5 Mb/s
- Colour: black
- System requirements: One free USB port
