Product Description

These Velcro cable ties from Delock are ideal for space-saving bundling of e.g. individual cables, wires, hoses or conductors. Reusable due to Velcro fastener. With the help of the loop, the cable tie can be securely fastened to a cable, for example, so that it cannot get lost. The Velcro fastener allows the cable tie to be quickly attached and easily detached again. The clip attached to the tie ensures strength, stability and secure bundling. Perfectly organised and versatile. The Velcro cable ties are compatible with all types of cables, e.g. network cables, USB cables, HDMI cables, charging cables, power cables, etc. Whether in the office, at home or on the road, the cables always stay neatly sorted and leave a tidy overall impression. The Velcro cable ties are the perfect solution to keep things tidy and prevent a cable tangle.
