

Item no.: 353911

## Braided hose self-closing 10 m x 19 mm white

from **40,40 EUR**

Item no.: 353911  
shipping weight: 0.40 kg  
Manufacturer: Delock

### Product Description

This braided sleeving from Delock is suitable for bundling exposed cables, electrical cables or wires to protect them from dirt or damage.

The braided sleeving closes automatically after the cables have been added.

The braided sleeving is characterised by its high abrasion resistance and heat resistance.

The cables and hoses can be added or removed several times.

The length of the braided hose can be shortened individually with the help of a hot cutting device.
